### CALL TO ORDER

The Regular session of the Keep Corinth Beautiful was called to order by Lance Hendrik at 6:05 p.m.

### BUSINESS:

#### **1. Discuss Big Event**

Lance has reached out to UNT with organizing the Big Event.

#### **2. Schedule work day**

Work day will be sometime in October to coordinate with UNT's Big event.

#### **3. Receive and give direction for Elm Fork**

KCB will not renew the Elm Fork lease therefore the current lease will end in December 2016. KCB will try to pursue a license agreement. Also, talk with Hickory Creek and see if we can help them with their maintenance.

#### **4. Trail Erosion**

See if the erosions can be fixed with in house with City workers. If the erosions are more work, then we will contact TCEQ (Texas Commission of Environmental Quality) and have them come take a look at them.

#### **5. New Business**

- › Pond has lost about 3-4ft of water. Jason is going to talk to his guys and try to resolve the problem. Meanwhile, Jason has had his guys maintain the pond.
- › A new design is undergoing for Linchburg creek. The Design city and FEMA regional study are combining. It is about a year out under the process.
- › Add Grants to the agenda for next meeting. An update on the grants is that Cindy has a lot of funders. KCB just needs to match the needs to the best funder.
- › Jason got a quote about repairing some equipment. It will be better if the equipment is just replaced rather than fixed. Looking to getting weed eaters instead. Lance will give Jason an idea on which one to get.

### ADJOURN:
