**Staff Members Present**

Jason Cao – Operations Manager

**City Council Liaison**

Councilman Lowell Johnson

**CALL TO ORDER**

The Regular session of the Keep Corinth Beautiful was called to order by Lance Hendrik at 6:06 p.m.

**BUSINESS:**

**1. Approve October Minutes**

October minutes were approved by all KCB members.

**2. Discuss KCB Big Event**

The Big Event was a huge success, thank you to UNT for coming out to help and Pumpkin Palooza for having us be a part of the festival. The City of Corinth guys did an awesome job keeping up with the parks and picking up trash.

Thinking of new ideas on how to get more people/families in the community involved with KCB clean up days. The idea of maybe adding a page on the City of Corinth website for KCB.

**3. Winter Projects**

Lance will have some project in the next couple of months; He will be picking up trim of trees and taking down some trees on the trail.

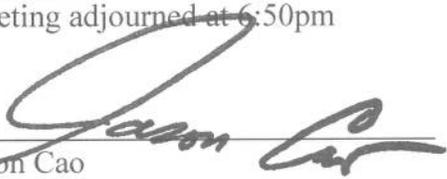

Lance mentioned about the gravel by the pond needs to be replaced or maybe they can get recycled concrete and pack it there for the trails.

**4. New Business**

- › Update on grants: Cindy is coming along with the grants; she just needs the other KCB members help to fill out some questions. Cindy suggested that they meet one day and just discuss the grants to finish the grant application.
- › Glen brought up that we could get a KCB informational display to put at City Hall. We will get with Erin to create a display and get Lee Ann's approval.

**ADJOURN:**

Meeting adjourned at 6:50pm
