This permit becomes null and void unless a City inspection is performed within six months from the date of issuance. The granting of a permit does not presume to give authority to violate or cancel the provisions of any law or ordinances regulating construction. No inspection will be performed unless this permit is displayed on the jobsite and City approved plans are available to the inspector on the jobsite at the time of inspection. Applicant is responsible for **ALL** work done under permit, and **MUST** follow all applicable codes.

A citation may be issued and/or TDLR or The State Board of Plumbing Examiners may be notified if an inspection isn't requested in a timely manor after the permit is issued.	Note: Commercial applications require detailed electrical, mechanical and/or plumbing plans. Note: Commercial Fee is per building and/or finish-out.
