

1. Three (3) sets of full size construction plans
 2. Three (3) sets of foundation plans (if applicable)
 3. One (1) engineer's letter for post-tension or rebar for each building
 4. One (1) copy of the Energy Code Compliance Report for each building
 5. Please note any special requirements that are site specific
 6. All square footages must be described on the application and broken down by A/C, garage, porches/balconies, etc..., with a separate permit application for each building
 7. Square footages for club houses, mail centers, etc. are also required, if applicable
 8. Your application submittal must be complete, or it may be returned for corrections prior to being reviewed
 9. All contractors are required to register with the City of Corinth including 3rd party energy inspectors
 10. All permit fees are calculated using formulas and factors for each of the above mentioned items
 11. The plan review fee is 65% of each permit fee
 12. If you have any questions, please feel free to contact us at (940) 498-3200.
- Effective January 2018, contractor registrations will be issued annually. Registration renewals may be done via regular mail, email, or in person at City Hall.

To Schedule an Inspection, Call: 940-498-3207

The City of Corinth has adopted the:

- **2015 International Residential Code (IRC)**
- **2015 International Building Code (IBC)**
- **2014 National Electric Code (NEC)**
- **2015 International Fire Code (IFC)**
- **Unified Development Code (UDC)**
