This permit becomes null and void unless a City inspection is performed within six months from the date of issuance. The granting of a permit does not presume to give authority to violate or cancel the provisions of any law or ordinances regulating construction. No inspection will be performed unless this permit is displayed on the jobsite and City approved plans are available to the inspector on the jobsite at the time of inspection. Applicant is responsible for **ALL** work done under permit, and **MUST** follow all applicable codes.

**Read and Sign:**  
 hereby certify by my signature below that: 1) I understand that I am the person solely responsible for inspections and all related fees and charges, 2) I agree to abide by all laws and ordinances governing this type of work whether specified herein or not, and 3) I have read and examined this application and know the same to be true and correct.
