

Corinth

November 2016

Construction

- A new southbound exit ramp to Post Oak Drive, approximately a half mile north of the existing ramp, is scheduled to open in November. A new southbound entrance ramp will be constructed approximately a half mile south of the existing ramp. No ramps will be closed during these operations.
- The new northbound entrance ramp from Post Oak Drive has been opened. The new northbound exit ramp to Mayhill Road is scheduled to open by the end of the year. No ramps will be closed during these operations.
- The southbound exit ramp to Turbeville Road (exit 457), located just south of Swisher Road, is scheduled to open in November.
- Work continues on the new Turbeville Road/Hundley Drive underpass and the new Oak/Lake Dallas Drive underpass. Both are scheduled for completion in mid-2017.

Upcoming Traffic Alerts

- The Post Oak Drive bridge is slated for completion next year with two through lanes in each direction as well as two turn lanes in each direction.
- The northbound exit ramp to Post Oak drive will be closed through the end of the year. Motorists will exit to Corinth Parkway to access Post Oak Drive.
- Northbound I-35E exit ramp 459, north of Swisher Road, shifts approximately 1,500 feet north in November. A new northbound exit ramp will be constructed north of Swisher Road in early 2017.
- With the closure of the northbound frontage road at Janet Court, the frontage road north of that location has been converted into a two-way roadway to allow access to businesses. This configuration will be in place until the end of 2016.
- The northbound Lake Dallas Drive exit has been temporarily relocated south of FM 407.
