

Corinth

January 2016

Construction

- The northbound mainlanes between the U-turn at Destiny Dallas RV Park and Post Oak Drive are scheduled to shift east onto permanent pavement in February. All entrance and exit ramps will shift into their permanent alignment and northbound exit ramp to Post Oak Drive will reopen.
- The northbound entrance ramp from Swisher Road shifted north in December. A new exit ramp is being constructed at the location of the original entrance ramp and will open spring 2017.
- Westbound Corinth Parkway will remain closed between the DCTA tracks and the northbound frontage road through Jan. 30 for drainage work. Eastbound Corinth Parkway will be closed to through traffic at this location in February.
- Work continues on the new Turbeville Road/Hundley Drive underpass and the new Oak/Lake Dallas Drive underpass. Both are scheduled for completion in mid-2017.

Upcoming Traffic Alerts

- The northbound exit ramp to Corinth Parkway, entrance ramp from Corinth Parkway and entrance ramp from Post Oak Drive will shift into their permanent alignment. The northbound exit ramp to Post Oak Drive will reopen when the northbound mainlanes in Corinth are shifted east in February.
- With the closure of eastbound Corinth Parkway near the DCTA tracks, drivers will take the northbound frontage road to Corinth Street, turn right on Walton Drive, right on Shady Rest Lane and continue to Corinth Parkway.
- The Post Oak Drive bridge is slated for completion this spring and will consist of two through lanes in each direction as well as two turn lanes in each direction.
- With the closure of the northbound frontage road at Janet Court, the frontage road north of that location has been converted into a two-way roadway to allow access to businesses. This configuration will be in place through spring.

- The northbound Lake Dallas Drive exit has been temporarily relocated south of Garden Ridge Boulevard. This configuration will be in place through spring.
