AGENDA ITEM

Conveyance of real property located at 2003 Corinth Parkway from the City of Corinth to the Corinth Economic Development Corporation for economic development purposes.

AGENDA ITEM SUMMARY/BACKGROUND

The City of Corinth (the "City") desires to convey real property located at 2003 Corinth Parkway, which is the former site of the Police Station comprising of approximately 1.7983 acres (the "Property"), to the Corinth Economic Development Corporation (the "CEDC") for economic development purposes. Sec. 253.012 of the Texas Local Government Code authorizes municipalities to transfer real property or an interest in real property to an economic development corporation without having to comply with the notice and bidding requirements under Sec. 272.001 of the Texas Local Government Code. The transfer of the property is to occur for cash consideration of \$10.00, and the City and the CEDC agree as follows:

- The CEDC will only use the Property for public purposes (economic development) in accordance with state law.
- The CEDC understands that the Property will revert back to the ownership of the City if it fails to use the Property for economic development purposes in accordance with state law.
- The CEDC, upon the sale of the Property to any future third party interest, will deliver all proceeds from such sale to the City.
- The City agrees to demolish the structures on the Property at its expense, and to otherwise maintain and repair the Property also at no expense to the CEDC.

The Property is located within the proposed Tax Increment Reinvestment Zone ("TIRZ") and the Transit Oriented Development ("TOD") District, and is intended to play a catalytic role --- as an economic development incentive --- to attract new investment, to create employment opportunities and to enhance the community's quality of life.

As consideration for the conveyance of the Property, the CEDC will pay to the City a sum of \$10.00.

RECOMMENDATION

Staff recommends that the CEDC approve the conveyance of the Property from the City to the CEDC for economic development purposes.
