Resources

Operating revenues are determined by the water and wastewater rates, as well as, the volume of water sold and wastewater treated. These revenues are highly influenced by weather patterns.

Water and Wastewater Disposal Charges: The FY 2018-19 budget is the second year for water rates that separated out the Upper Trinity and the City portion of the rate revenue, as adopted by ordinance in September 2017.

Expenditures

Operating expenses are dominated by contractual payments for 1) the purchase of water for resale and City use from the Upper Trinity Regional Water District; 2) wastewater treatment from Upper Trinity Regional Water District and the City of Denton.

Debt Service payments are processed in February and August.

Capital Outlay includes \$49,500 for new furniture for the new Public Work facility and \$10,000 for a portable light tower.

Transfer Out includes \$56,456 to the Vehicle Replacement Fund for the future purchases of vehicles and equipment, \$101,673 allocation to the General Fund for the homeowner's association water credits, \$200,000 contribution to the Utility Meter Replacement Fund for the future purchases of water taps and meters, \$14,562 to the Tech Replacement Fund for the future purchases of computers and \$736,192 cost allocation to the General Fund.

The tax is collected by businesses making the sale and is remitted to the State Comptroller of Public Accounts on a monthly, and in some cases, quarterly basis. Of the 8.25%, the state retains 6.25% and distributes 1% to the City of Corinth, .25% to the Street Maintenance Sales Tax Fund, .25% to the Crime Control & Prevention District and .50% to the Economic Development Corporation. The State distributes tax proceeds to local entities within forty days following the period for which the tax is collected by businesses.

As required by the Government Accounting Standards Board, sales tax is reported for the month it is collected by the vendor September 2019 revenues are remitted to the City in November 2019. Sales Tax received in September represents July collections.

Analysis

The EDC Sales Tax revenue reflects a year-to-date increase in collections compared to the budgeted amounts.

Revenues are deposited into the Economic Development Corporation Fund and must be used on behalf of the city in carrying out programs related to a wide variety of projects including public parks and business development (Tex.Rev.Civ.St. art 5190.6-the Development Corporation Act of 1979).

Description:	<u>Analysis</u>
The ad valorem (property tax) accounts for the largest source of revenue for the General Fund. Property tax is dependent on two variables: appraised value and the tax rate. The property tax rate is \$.53000 per \$100 valuation and is collected by the Denton County Tax Office. Denton County remits payment to the city on a monthly basis.	The city estimates 100% collection rate. The majority of taxes are collected in December and January.

KEY TRENDS Description: Water charges are billed on a monthly basis in two billing cycles. Citizens are billed on the 1st and 15th of every month based on their meter rate, as well as, the volume of water used. This revenue is highly influenced by weather patterns. Hot, dry summer results in high water sales. Analysis The FY 2018-19 budget incorporates the water rates that breakout both the Upper Trinity and City portion of the rate revenue, as adopted by ordinance in September 2017.
