KEY TRENDS Description: Water charges are billed on a monthly basis in two billing cycles. Citizens are billed on the 1st and 15th of every month based on their meter rate, as well as, the volume of water used. This revenue is highly influenced by weather patterns. Hot, dry summer results in high water sales. Analysis The FY 2018-19 budget incorporates the water rates that breakout both the Upper Trinity and City portion of the rate revenue, as adopted by ordinance in September 2017.
