Monthly Financial Report

For the Period Ended November 30, 2013

About This Report

This report has been prepared by the City of Corinth's Finance Department. The Comprehensive Monthly Financial Report (CMFR) is intended to provide our audience (internal and external users) with timely and relevant information regarding the City's financial position.

This report includes information for the month ending November 2013 and is presented in four sections

1. The Financial Summary section reports the performance of the major operating funds of the City. In addition, the report provides a comparison to budget for major revenue sources and expenditure items. Narrative disclosures are included to highlight any significant changes or fluctuations.
2. The Revenue & Economic Analysis section provides additional analysis regarding key revenue sources and economic indicators.
3. The Executive Summary section contains a high level fund balance summary for all City funds. The report provides year-to-date revenues, expenditures, and transfers.
4. The Capital Improvement Program Report contains a high level expenditures summary for all CIP projects. The report contains a fund summary and a project summary that provides revenues, current and historical expenditures, and available fund balance.

If you would like additional information, feel free to contact the Finance Department at (940) 498-3280.

KEY TRENDS

Description:

The ad valorem (property tax) accounts for the largest source of revenue for the General Fund. Property tax is dependent on two variables, appraised value and the tax rate. The property tax rate is .60489 per \$100 valuation and is collected by the Denton County Tax Office. Denton County remits payment to the city on a monthly basis.

Analysis

The city estimates 100% collection rate. The majority of taxes are collected in December and January.

KEY TRENDS

Description:

Water charges are billed on a monthly basis in two billing cycles. Citizens are billed on the 1st and 15th of every month based on their meter rate as well as the volume of water used. This revenue is highly influenced by weather patterns. Hot, dry summer results in high water sales.

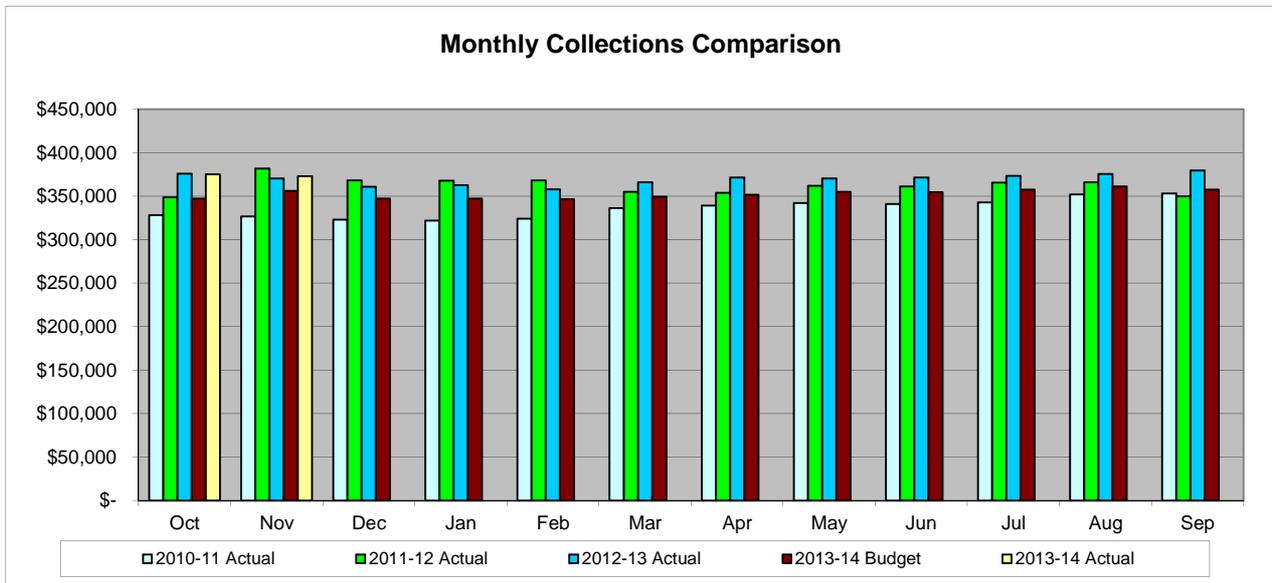

Analysis

The FY 2013-14 budget incorporates the third year of the adopted three year rate structure for water services as adopted by ordinance in April 2011.

KEY TRENDS

Description:

Wastewater charges are determined by wastewater rates & volume of wastewater treated. Residential wastewater treatment charges are determined by a winter average process that takes the lowest three months of water consumption to determine a baseline wastewater treatment demand.

Analysis

The FY 2012-13 budget incorporates the second year of the adopted three year rate structure for wastewater services as adopted by ordinance in April 2011.
