This shall include the removal of trees that may threaten electrical, telephone, gas, or any municipal water or sewer line, or any tree that is affected by fungus, insect, or other pest disease.
- (b) *Coordination among city departments.* All city departments will coordinate as necessary with the Director and will provide services as required to ensure compliance with this Ordinance as it relates to streets, alleys, rights-of-way, drainage, easements and other public properties not under direct jurisdiction of the Director.
- (c) *Interference.* No person shall hinder, prevent, delay, or interfere with the Director or his agents while engaged in carrying out the execution or enforcement of this Ordinance.

- (b) *Requirements of franchise utility companies.* Franchise utility companies shall provide advance notice to the City of their intended non-emergency tree pruning schedule and location of impacted area. The maintenance of public trees for utility clearance shall conform to all applicable utility industry standards.
- (c) *Tree species list.* The Director shall develop and maintain an official list of desirable tree species for planting on public property in two size classes: Understory “Small” (20 feet or less in height at maturity) and Canopy “Shade” (greater than 20 feet at maturity). Only trees from this approved list may be planted without written approval from the Director.

Property owners are responsible for the reasonable and routine maintenance of trees and other landscaping in the adjacent parkway area.
- (b) No property owner shall allow a tree, or other plant growing on his or her property or within the adjacent parkway to obstruct or interfere with pedestrians or the view of drivers, thereby creating a hazard. If an obstruction persists, the Director shall notify the property owner to prune or remove the tree or plant. If the owner fails to comply with the notice, the City may undertake the necessary work and charge the cost to the property owner.

Private property owners have the duty, at their own expense, to remove or treat nuisance trees on their property.
